Guidance can be a particularly difficult art without qualified and dedicated people. Father George Luznicky has proved his superiority in both fields; he has given much of his time and effort as well as himself to his students.

In the privacy of the confessional one can also find needed help.

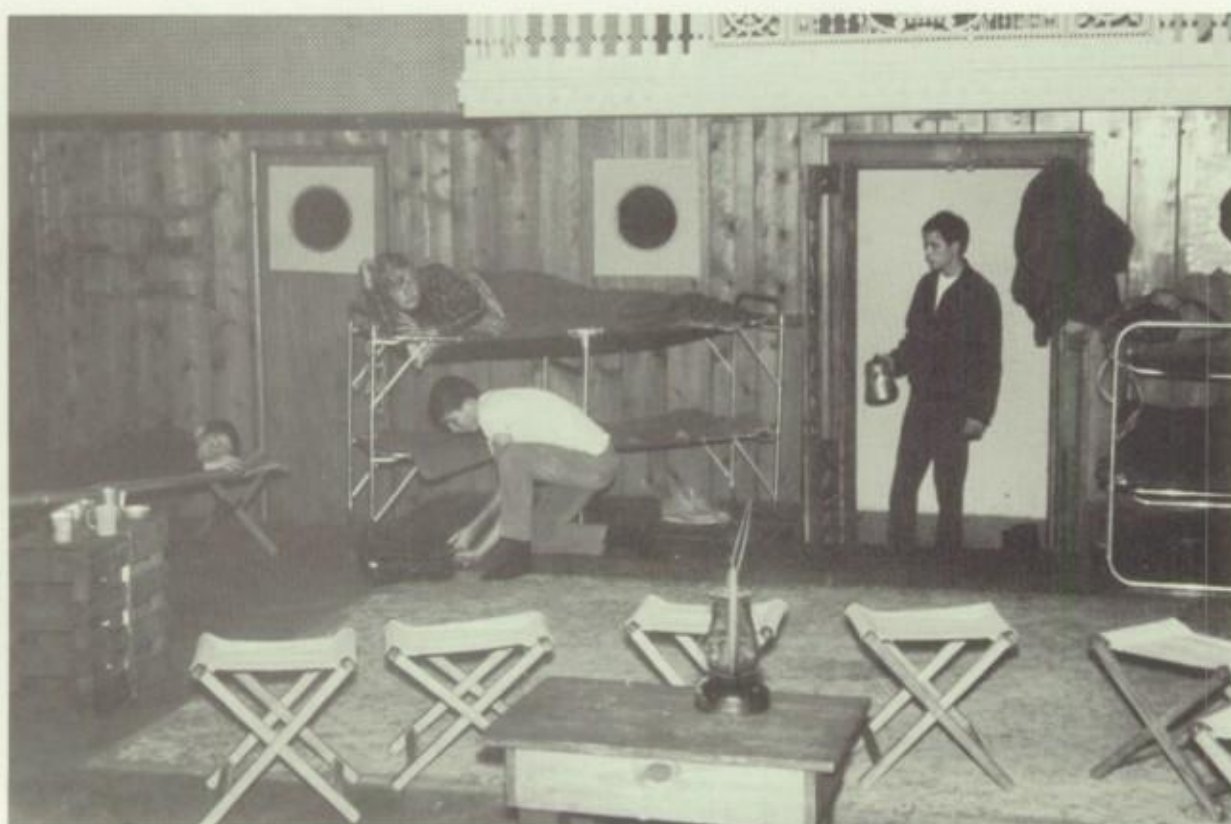

Just as it begins, so does the school day end... in prayer

Following the precedent set by last year's senior play, Eugene O'Neill's "In the Zone" was undertaken under the direction of Mr. Deacon. Well over 100 hours of ACTIVE rehearsal went into the production ...7 T-shirts and 15 teeth in the fight scene alone.

"Spy" Ganahl is apprehended (1 shirt, 2 teeth)

O'Brien and Perkins spot Ganahl setting "bomb"

For the first time at Servite (and for all Orange County) a school play was presented in a professional format. "In the Zone" was seen not only by those interested in Servite and individual cast members, but before a highly sophisticated audience at the Tustin Playhouse. The cast included seniors O'Brien, Perkins, Beard, Slota, Faulk, Twombly, Copeland, Dobyns and Kluewer.

Crew shows tension and hostility

"HE THAT TROUBLETH HIS OWN HOUSE SHALL

INHERIT THE WIND

"They roared at each other like lions, America's two most famous orators. Day after day, in the torrid heat of a packed courtroom they battled with weighty arguments, tremendous speeches.

Such a drama America has not seen before. Spectators fainted; cynical reporters took sides and started fist-fights; the judge, jury, and defendant were forgotten as two of the greatest orators the world has ever seen raged, thundered, and strove to literally destroy one another. The audience stood aghast as one was mortally stricken in the moment of his defeat."

Servite High School, under the direction of Mr. Warren Deacon, proudly presents

INHERIT THE WIND

For the first time in a Servite play, girls from both Marywood and Cornelia Connelly were included in the cast. Mary Thomas of Connelly portrayed Rachel Brown, the female lead.

Tom Dobyms watches over the proceedings while Prosecutor Richard Slota comments on Steve Ganahl's examination of Jay Sullivan.

Rep. Richard Hanna

VS

Robert Geier

Servite was proud to be the only high school in the county to feature representative Richard Hanna and his opponent Mr. Robert Geier in a series of political discussions.

SERVITE

The football season was enthusiastically greeted with the Pep Dance, the most successful dance in the history of Servite...over 600 students from Servite, Marywood, and Connally attended.

Mark Woods, Phill Messer, and Rick Aschenbrenner introduce one of Servite's finest teams to their classmates.

Christmas spirit invaded the first semi-formal of the year; the enthusiasm was increased by the music of the "Progressives" with Jeanie Foster.

After two days of gruelling tests, the Semester Dance was a welcome relief. The sophomores arranged and sponsored the dance; music ala "Nocturnes."

The first sock-hop of the year... presented by the Varsity Club.

The Senior 103 Dance, the first to be sponsored by an individual class, was a successful effort to raise money for the mission drive.
